

THIS IS A SOURCES SOUGHT NOTICE ONLY.  
**THIS IS NOT A REQUEST FOR PROPOSAL.**

This notice is solely intended to notify contractors of a pending release of a construction/construction management solicitation.

SAIC-Frederick Inc., Operational and Technical Support Contractor for the Frederick national Laboratory for Cancer Research (FNLCR) under Contract number HHSN261200800001 requires an Indefinite Delivery/Indefinite Quantity Subcontracts for a Contractor to provide construction services to include but not limited to lab renovations, demolition, drywall, framing, etc. The location of the services will be located within the NCI facilities on Ft. Detrick as well as off-site leased locations in the Frederick, MD area

It is anticipated that three (3) qualified contractors will be awarded a subcontract. The Subcontracts period of performance will be through 9/25/13 with two (3) one-year options. Subcontracts shall be awarded to a qualified companies with proven experience related to various construction activities similar to those mentioned above. Then the selected contractors will compete for award on individual task order basis. The total contract (including all task orders) shall not exceed \$1,000,000 per year.

This is not a request for proposal, and **no awards will result from this notice.**

The schedule below is the anticipated schedule for the construction solicitation. This schedule is solely intended to allow the contractors to schedule ahead for up coming events and to plan accordingly. **This schedule is not intended to be all inclusive and is subject to change.**

Mid April 2013:	Issue Solicitation along with Specifications and Drawings for a specific task.
End of April 2013:	Conduct Site Visits and Question/Answer
May 2013:	Proposal due date
Mid to late May 2013:	Award
